ALL BIDDERS PLEASE READ

Terms Governing This Sale

Bidders unknown to us will please furnish bank or other references or deposit 25 per cent with their bids, and it is agreed that remittance will be made upon receipt of invoice if references are not furnished.

Any coin which is not satisfactory may be returned within five days from date of receipt for full refund. **You must be satisfied. PAYMENT TO BE MADE UPON RECEIPT OF MERCHANDISE.** Coins remain our property until paid for. There will be no charge for executing your bids but the purchasers will be required to pay the postage and insurance on their purchases. If you do not wish coins sent airmail please note this on your bid sheet.

We shall welcome your bids and will try to purchase the coins as much below your bids as possible. **PLEASE BID BY THE LOT.** Unlimited bids are executed at an advance of 5 per cent over the next highest bid. Numbers in () are the quantity of that item.

If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Sales Are Conducted As Follows:

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins for each sale. Whenever this happens, we want it called to our attention to help prevent future errors.

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

IS THIS YOUR FIRST AUCTION CATALOG?

18th EDITION (1965) GUIDE BOOK, (1965) PAPER MONEY 5th EDITION
"TRENDS" & OTHER AUCTION RECORDS USED IN CATALOGING
THIS SALE

Currency, scarce and rare gold, large cents, types, proofs and small cents seem to be rising the most rapidly at present with most bringing close to listed values and a great number bringing even more. Many are rising from month to month with a number "just not obtainable." The coins most in demand will have the greatest number of bidders and with the law of supply and demand working, these coins keep setting new records.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these coins come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of various records and publications which reflect the actual and not theoretical value. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, ETC. ARE ESTIMATED AT CATALOG).** In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.25. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. Coin collecting is a personal hobby which makes life a little more pleasant. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them as well as any compliments.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION**

BARGAINS GALORE

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots," yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, (yes we receive some now and then), we want to hear them. Having catalogued over two hundred fifty-five successful coin sales, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 8c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the bid sheet. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

- 81—1793 S-11c WREATH, LETTERED EDGE, one leaf on edge, extremely fine, evenly eroded surface. **RARE. Have seen worse offered at** **\$1500.00**

- 82—1793 S-14, LIBERTY CAP, characteristic bisecting obverse die break, basically very good but tiny edge nick obverse and two worn spots reverse (altho parts of reverse actually fine). **RARE. Important "Type" coin** **750.00**
- 83—1793 S-8, WREATH, Vine & Bars edge, very good. **SCARCE.** **325.00**
- 84—1794 S-51, Short Bust, **CLOSED WREATH**, basically extremely fine but some roughness of surface, edge nick. **VERY RARE VARIETY.** Since "Condition Census" includes a very fine coin, this must be **ONE OF THE CHOICEST SPECIMENS KNOWN.** **350.00**

- 85—1794 S-61, Thick Hair, CLOSE DATE, short right stem, **NEARLY UNCIRCULATED**, some roughness of surface. With an extremely fine coin in "Condition Census", this is **ONE OF THE CHOICEST SPECIMENS KNOWN. VERY RARE variety.** The 1794 S-60 of equal rarity in the 1864 A.N.A. convention sale last August in "Ext. Fine" (somewhat inferior conditoin to this coin) realized \$425 on a valuation of \$500; this superior coin should surely exceed **\$ 750.00**

- 86—1794 S-65, Shielded Hair, short stems, obverse about fine, reverse very good. Catalogs fine. **62.50**

LARGE CENTS 1793-1799 (Continued)

87—1794 S-68, Bisecting obverse die break, very good and sharp bordering on fine. VERY RARE VARIETY (R-6).	200.00
88—1795 S-75, LETTERED EDGE , "ONE CENT" in center of wreath, sharpness of extremely fine but eroded surface.	250.00
89—1796 S-84, LIBERTY CAP , Low 6, very fine. SCARCE.	200.00
90—1796 S-85, Very fine but eroded surface. VERY RARE (high R-6). With two fine coins in "Condition Census", this is ONE OF THE CHOICEST SPECIMENS KNOWN. The fine 1796 S-88 coin of nearly equal rarity in the A.N.A. sale realized \$310 on a valuation of \$350; surely this choice specimen worth closer to	500.00

92—1796 S-93, Draped Bust, Single Leaves at top, extremely fine as to wear but eroded surface. SCARCE.	250.00

96—1798 S-145, **GRIPPED EDGE**, nearly Uncirculated. Acquired as "**UNIQUE**". Perhaps it is as we could not find a record of another specimen. As a normal S-145, **THIS SPECIMEN WOULD CERTAINLY BE THE EQUAL OF THE CHOICEST KNOWN OR AT LEAST SECOND FINEST** but with the **GRIPPED EDGE, IT STANDS BY ITSELF!** Perhaps it will exceed the owner's valuation of \$2500; with rarities and condition census pieces bringing run-a-way prices during the past year, we would not be surprised to see this "**ONCE IN A LIFETIME COIN**" realize **\$5000.00**

97—1798 S-154, Large Date, imbedded 8, fair with sharp date. RARE (high R-4).	25.00
98—1798 S-166, Large Date, rotated reverse, very good.	25.00
99—1798 S-170, Small date, very good. RARE (high R-4).	50.00
100—1798 S-176, Small date, very good. RARE (R-5.)	65.00
101—1798 S-187, The last 1798, extremely fine but bruise at edge. X.f. worth	75.00

1799 CENTS, TOP CONDITION

103—1799 S-189, Medium die state with chip showing as a dot above "T" in CENT, **EXTREMELY FINE** with point of bust blunt, UNITED STATES OF AMERICA 1/100 QUITE SHARPLY STRUCK, usual blunt striking of wreath, **COMPLETE DENTICLES (milling). PROBABLY ONE OF THE 30 OR 35 COINS IN CONDITION CENSUS!** With an old record of \$10,500 for an "about Uncirculated" specimen; this one should exceed \$6000 or even \$6500.00

104—1799 S-189, Late die state with chip quite prominent above "T" in CENT, extremely fine with STATES OF not struck up as sharply as balance of coin. **5000.00**

1800-1807 LARGE CENTS

105—1800 OVER 179, S-294, very good. VERY SCARCE (R-3).	40.00
106—1800 S-209, Widest Date , fine. RARE (R-5). The "Prac. Unc." one in the A.N.A. sale realized \$950; this one probably worth around \$100 to	125.00
107—1800 S-211, Large Planchet, very good, some minor abrasions. VERY SCARCE (R-3).	35.00
108—1801 S-213, First 1 perfect, fair. VERY SCARCE (High R-3, possibly R-4).	25.00

113—1802 S-233, T over Y IN LIBERTY, extremely fine. A choice specimen of this rarity. RARE (R-4). Possibly the **FOURTH OR FIFTH FINEST KNOWN!** The A.N.A. sale specimen "Prac. Unc." "Third or Fourth Finest Known realized \$700; this one probably worth around _____ 500.00

114—1802 S-241, Stemless Wreath, DOUBLE FRACTION BAR, nearly Uncirculated (leaves at left not struck up as sharply as at right). RARE SO CHOICE. Acquired as "**CONDITION CENSUS COIN**" two years ago at \$500; should now exceed _____ \$ 800.00

122—1807 S-271, Comet variety, very good. _____ 25.00

123—1807 S-276, Acquired as "**ONE OF ONLY THREE KNOWN MINT STATE** examples of this variety, which is common in the lower grades but very difficult to find above EF. Struck a little weakly in right upper obverse and left lower reverse but **UNEXCELLED IN COLOR TONING AND BEAUTY OF SURFACE.**" Lovely blended bluish olive color. Excellent for "type", date of variety. _____ \$1500.00

448—1800 LARGE HERALDIC EAGLE, HAIR IN KNOT, UNCIRCULATED BLUISH GOLDEN. SOMEWHAT SUPERIOR TO MOST "UNCIRCULATED" SPECIMENS WE HAVE SEEN OFFERED IN RECENT YEARS. Judging from the number of want lists we have for this popular type, we would not be surprised to see it realize close to\$1500.00

EARLY SMALL EAGLE, SILVER DOLLARS, 1795-1798

Rather popular with new record constantly being set. Judging from the small supply coming upon the market and the strong demand by both date and type collectors, they should continue their rise in value.

1350—1875-S OVER CC (one "C" to right of "S") Uncirculated slightly golden, barest trace of rubbing. AN OUTSTANDING RARITY. What few specimens are presently known, with the exception of 4 or 5, have "chop-marks" attesting to their use in the Orient. The rarity of this major variety was probably caused by nearly all from this die being sent to the Orient, where most were melted for the silver (a few escaped still bearing chop-marks attesting to their high silver content). Have seen valuations to \$5000 but present price seems to be closer to	\$2000.00

1460—SET OF 3 SEALS OF SIR WALTER RALEIGH GOV. OF VIRGINIA 1584 let-
tered on plastic holder containing 3 seals \$1 size, \$1½ size and double \$1 size.
Accompanying the set is a letter dated September 7th, 1935 from George
M. Hendee (chairman Board Of Governors of Shriners' Hospitals For Crip-
pled Children, Springfield, Mass.) to Paul W. Kieser of Logmeadow, Mass.,
"I had occasion to go to my safe deposit box and have sent the duplicates
of Sir Walter Raleigh seals. These are guaranteed genuine duplicates. Hope
you will find them interesting. I bought them in London." Present owner
values them at \$2,500.00. Since we have never seen another set in all our
thirty-odd years as professionals, we do not know whether this valuation is
too high or too low.
